Next Steps and Closing

Treasure Map

Find the partners working in the organizations and strategies on your map.

Ask for their signature and the number of years they partnered with HEAL Zone.

Fill in all the blank pieces to complete your map and claim your treasure.

Celebrating our Successes

Celebrating our Successes

What are you most proud of?

What are 1 or 2 major policy, systems and environmental transformations in your community as a result of HEAL?

What elements made this transformation possible?

Celebrating our Successes

Share your success stories
with your table.

Choose 1 or 2 policy,
systems and environmental
transformation successes to
share with the large group.

Morning Break

Visioning for the Future

Healthy Ontario

Improve community health through collective impact.

HEAL Zone

People eat better and move more as a part of daily life.

BUILD Health Challenge

Community stakeholders from across sectors have a shared responsibility to improve community health.

Transformative Climate Communities

Empowers the communities most impacted by pollution to choose their own goals, strategies, and projects to reduce greenhouse gas emissions and local air pollution.

Data Across Sectors for Health

Empowering communities through shared information.

Visioning for the Future

Transformative Climate Communities

“We’re honored to have the support of the Strategic Growth Council in building a healthier community that provides long-term opportunities for residents and businesses. This has been our City Council’s vision for years, and to see it come to life is very rewarding,” said Mayor Paul S. Leon.

Visioning for the Future

Building on your HEAL Zone success, what are your future hopes and wishes for your community in 10 years?

What is it like where you live, work, play, and learn?

Envision a future where HEAL is widely successful, what do you see and feel?

Draw or write your vision on the papers provided on your table.

Table Conversations

Share your vision with your table.

Across our visions, what is similar, what is common, what is shared?

Write those shared elements on the chart paper provided at your table. From those shared elements, talk about what the one vision looks like.

Healthy Lunch

Strengthening Our Collaborative

The Collaboration Assessment Tool by
Prevention Institute

Clarity of Mission + Strength of Vision

Communication + Link to Others

The Collaborative Environment or Climate

Building Membership Capacity

Management

Forum for Shared Decision Making

Clarity of Roles and Responsibilities

Paired Conversation

Describe a time or give an example that shows your best experience with the collaborative.

A high point or time when you were most engaged.

What elements contributed to that experience?

Table Conversations

Share your experience with your table.

Across your experiences, what is similar, what is common, what is shared?

Write the shared elements on the chart paper provided at your table.
Discuss what the dream collaborative looks like using shared elements.

What are opportunities for improvement to achieve the dream collaborative?

Afternoon Break

Strengthening our Collaborative

What makes an exceptional partner within a collaborative?

What contribution would an “exceptional partner” make to a “dream collaborative”?

Strengthening our Collaborative

We will be forming four appreciation circles outside.

Each partner will take a turn to stand in the center of the circle while others name the qualities that makes them an exceptional partner.

A facilitator will join each circle to record comments.
