

A large orange circle is centered on the page. The background of the page is a stylized illustration of an orange grove with green leaves and orange fruit in the upper left, and a desert landscape with brown mountains and palm trees in the lower right. The text is contained within the orange circle.

Community Action Plan Strategy 5

Implement Green Alleyway Project to increase resident involvement and leadership, and improve safety in the neighborhood.

Healthy Living Project Club

Goal of Club:
To create a healthy Eastside neighborhood in fun and unique ways.

Strategy 5:

Implement Green Alleyway Project to increase resident involvement and leadership to improve safety in the neighborhood

Riverside Art Museum

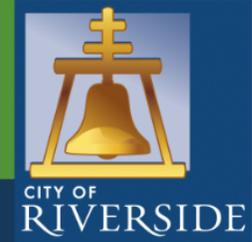

Goal

To help beautify the Eastside with art but also to help preserve the history of the neighborhood's residents and draw in people who might not have much exposure to the arts,

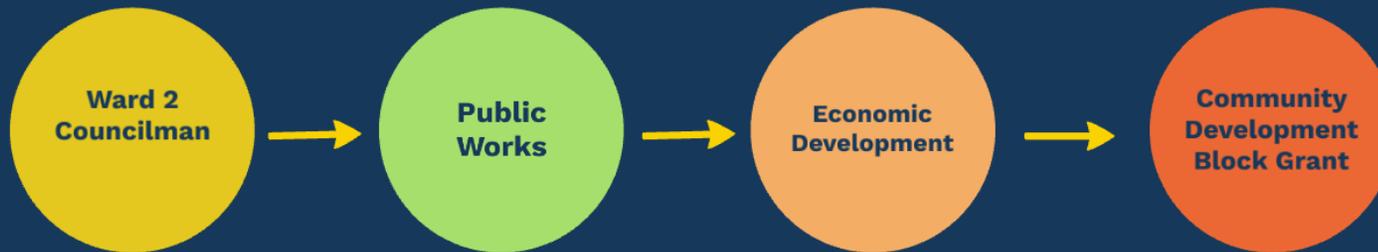

City Of Riverside

Street Maintenance & Upkeep Policy ENP 8.4

Explore vacating underutilized alleys throughout the Eastside Neighborhood and encourage maintenance of alleys that are actively used.

Ward 2 Councilman

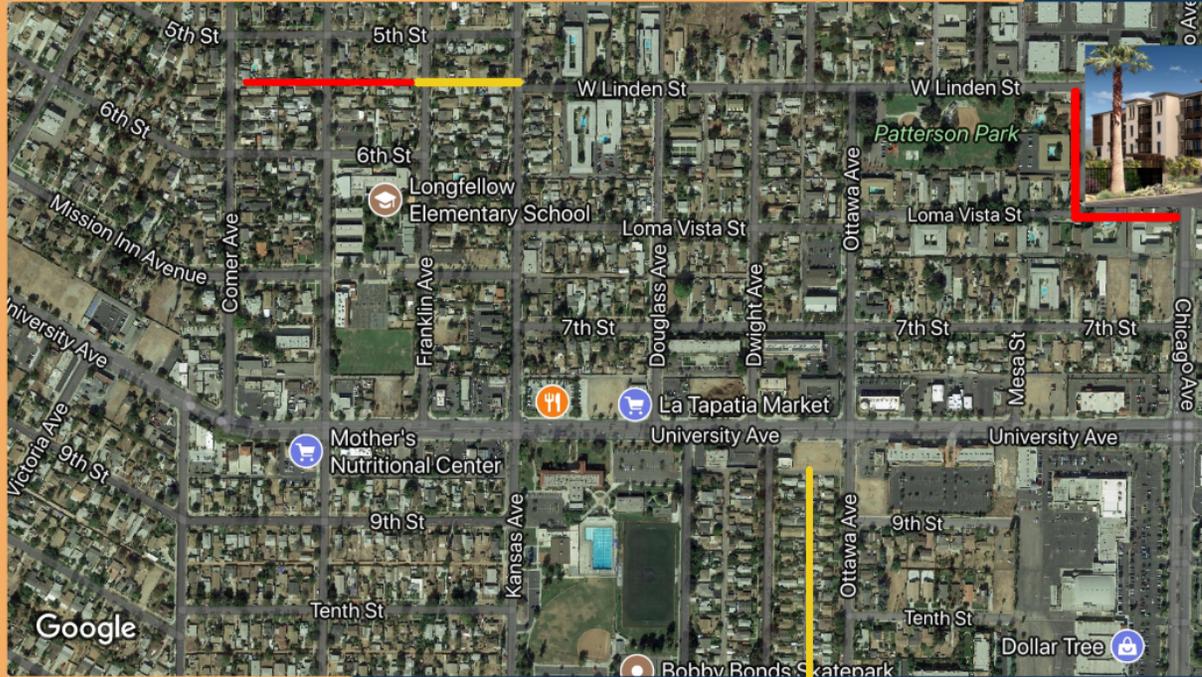

Public Works

The graphic features a central green circle with the text "Public Works" in a bold, dark blue font. Two yellow arrows point horizontally towards the circle from the left and right. In the top right corner of the green circle, there is a photograph of a meeting with several people around a table. In the bottom left corner, there is an aerial map of a residential area with a red "STOP" sign and the text "OPTION 1" overlaid on it.
