10:30 am – 12:00 pm

90 minutes

Data Party: School Health Index

Ama Atiedu, Evaluation Consultant

In this session, we will have an opportunity to review the site-specific evaluation data findings from the School Health Index (SHI) sessions, discuss the results, and identify gaps and opportunities for priority strategies and activities. We will also have an opportunity to learn how your peers are using the SHI process for continued assessment of wellness policy implementation and the use of SHI data for future funding opportunities.

12:00 – 1:00 pm

Lunch

Enjoy a healthy lunch and network with your peers.

1:00 – 2:30

90 minutes

World Café: School and School District Context

Ama Atiedu, Evaluation Consultant

In this session, we will divide into small groups to review the data findings and themes on the school environment and school district context that are barriers and facilitators of success. This will be an opportunity to discuss how these evaluation findings can help schools and districts understand priorities and the impact on program improvement and planning. We will conclude with a large group sharing of table discussion highlights and new insights to keep us motivated and moving forward.

2:30 – 3:00
