HEAL Youth Convening 2013

Project Goals

It’s time to shift from the big picture “Vision” to consider “What can we actually achieve by the end of the year?” That way, you know that you are working on your vision, but not biting off more than you can chew. Take a step back and consider, what do you think you can change in 6 months, 1 year and in 2 years by 2015?
