

Community Wide Coalition: Coalition will meet quarterly to discuss updates, progress, and status of West Ventura HEAL Zone Initiative activities. It includes funded partners, subcontracting organizations, resides, youth, business, faith-based communities, schools.

Steering Committee: This is the decision making body. It includes: representatives from subcontracting organizations. Steering committee will meet monthly during the Coalition meeting and at times after the subcontractors meeting or as often as needed to carry out their work.

West Ventura HEAL Zone Partners: These are the funded subcontracted that will meet monthly.

Committees Chair and Co-Chair: Chair and co-chair will be elected members of the community. The work of the coalition is carried out by Chair, co-chair, and Facilitator/VCPH staff.

Facilitator/VCPH Staff: Provides support and technical assistance to all and maintains focus of both steering committee and coalition meetings.
